## By JACK HAAS.

Basket-ball enthusiasts will be served some real treats on local courts now that the holiday season has departed for another year. Some of the fastest quints in the South and North will visit the District in the next two months playing either Georgetown, Gallaudet College, George Washington or Catholic universities.

While not the biggest college in the country the games that will attract the most attention will be those played by little old Delaware College, coached by Burton Shipley, a local boy, against Catholic University at Brookland, January 19, and Georgetown University at the Hilltop on the 20th.
